

Behind the Throne

Behind the Throne is a storytelling game of **fantasy intrigue**. Collaborate on a handful of stories based on court political fantasy fiction, where **ambitious** characters strive to better their positions in the Realm, **juggling** more **schemes** than they can comfortably control.

Create Your Own Courtiers (Coming soon!)

Roll or pick some key character features, then use your **imagination** to **assemble** them into an original fantasy intrigue character!

Unfold Each Courtier's Story Together

On your turn, you'll concoct and narrate your courtier's story with the help of dice, tables, and your fellow players. **On someone else's turn**, you'll lend a hand, answering questions to help them move their story forward.

Weather the Whims of Fate

Roll the dice, and discover how much each ambitious scheme will cost you! Will each step bring you closer to **total victory**, **ultimate defeat**, or a **terrible choice** between competing desires?
